PRECONTRACT APPROVAL RECORD
(PART TWO)

CONTRACT

EG-400 TO #12

The services and equipment being procured by this Contract No. _____ TO #12 are in furtherance of the CORONA & OXCART Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

Task Order No. 12 to Contract No. EG-400 provides for continuance of certain work initially contracted for by the West Coast Procurement Office under CPFF Contract No. EB-1492 but deferred due to nonavailability of funds. The subject work comprises PARS 13, 17, 18, 22, 40 and 41 as 25X1 established by the CCB. Anticipatory costs for this work will be chargeable to CPFF Task Order No. 12 from 1 July 1963. The total estimated price of Task Order No. 12 is inclusive of a fixed-fee factor of of estimated cost.
